**1. CONTRACT TERMS**

The equipment remains the property of LITEON. during the loan period. The borrower undertakes insurance said equipment against loss or damage until it's return. The above-mentioned material must be returned to LITEON by the loan expiry date in the same condition, good working order and in its original packaging. In addition, it must not be opened or modified. The borrower accepts that LITEON may invoice him in respect of any

repairs and costs involved to restore the material to its original state. The borrower accepts that in the event of non-return of the goods before the loan expiry date, LITEON may raise an invoice for the value of the merchandise.

**2. GENERAL MEASURES**

The borrower undertakes to take all necessary precautions concerning insurance of the equipment on loan, at his premises, during any

transhipment and upon their return to LITEON or their authorised agents.

**3. PRODUCT USE AND LIMITED LIABILITY.**

LITEON guarantee that the equipment will be in good working order at delivery date. The borrower undertakes not to misuse said equipment and to ensure that it is maintained in good working order during the period of the loan up until return to LITEON and/or their agents.
